360° Swivel

ComfortZones™
in the seat and back

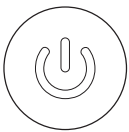

The Plus™-system:
automatic adjustment of
head and lumbar support

Manual adjustment
of the headrest angle

Height adjustable
headrest cushion

Feature Overview

Features and benefits

Power: The intuitive remote control allows you to easily adjust the seating angle and support to your personal preferences. Simply hit the HOME button to move back to an upright position.

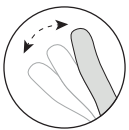

The remote control attaches magnetically to the armrest when not in use.

Cordless: the Power function is also available via battery if you prefer to avoid cords.

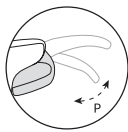

Ultimate relaxation: Experience total relaxation and the sensation of being completely weightless. The tilt function allows your legs to be elevated above your heart, providing the ultimate well-being experience.

Plus™-System: Our unique Plus™ system provides optimal comfort and support for the lower back and head in all positions. The lumbar support automatically adjusts as you recline and the head support angles forward.

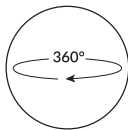

Manually adjustable headrest: the headrest angle can be adjusted manually to provide an even more personalized level of support and comfort.

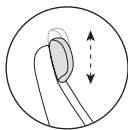

The integrated footrest: is elegantly concealed beneath the seat, giving a compact footprint. Extend to your desired angle for the optimum leg support.

ComfortZones™: indentations in the highly resilient foam allow you to sink deeper into the seat, embracing the body to provide enhanced comfort.

Freedom of movement: Full 360 swivel is offered in our Disc base for complete freedom of movement.

Height-adjustable headrest: the height adjustable headrest allows you to extend the height of the chair slightly over 2"

Make your home a sanctuary

Soft curves and enhanced side support offer Stressless® Adam a sumptuous shape, with visually appealing wood panels that evoke the feeling of being in nature. The integrated footstool provides a compact footprint and is operated by our innovative power system, allowing you to completely customize your comfort at the push of a button.

Added to this is the attention to detail you come to expect from a Stressless® recliner, including premium stitching details and the finest finishes that both your eyes and body appreciate. We believe that your surroundings matter so allow Stressless® Adam to make any room a sanctuary.

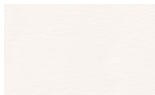

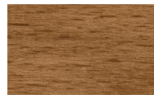

Customization

We want our customers to be able to create the chair of their dreams, which is why Stressless® Adam can be completely customized. Choose from a large variety of colors in the finest leather or fabric finishes and combine them with your preferred wood choice to fit seamlessly with your home décor.

Wood colors

Stressless® Adam comes with a wood panel on the arms, which is available in any of our eight wood finishes. The Disc base is also available in the same options as the wood panel.

Wood finishes

							
Oak (04)	Smoked Oak (13)	Walnut (06)	Teak (02)	Brown (03)	Wenge (11)	Black (05)	Grey (08)

Leather and fabric colors

Stressless® Adam is available in any of our four leather grades as well as three fabrics.

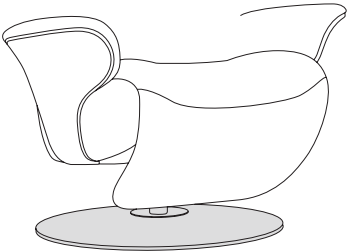

The armrests come with an elegant wood design feature and follow the movement of the back without gaps, to provide optimum arm support in all seating positions. We have designed the armrest with your lifestyle in mind and placed them at the perfect height for surfing the internet, reading and more.

Disc base

The laminated round **Disc** base is available in the same colors as the side panels.

Technical information

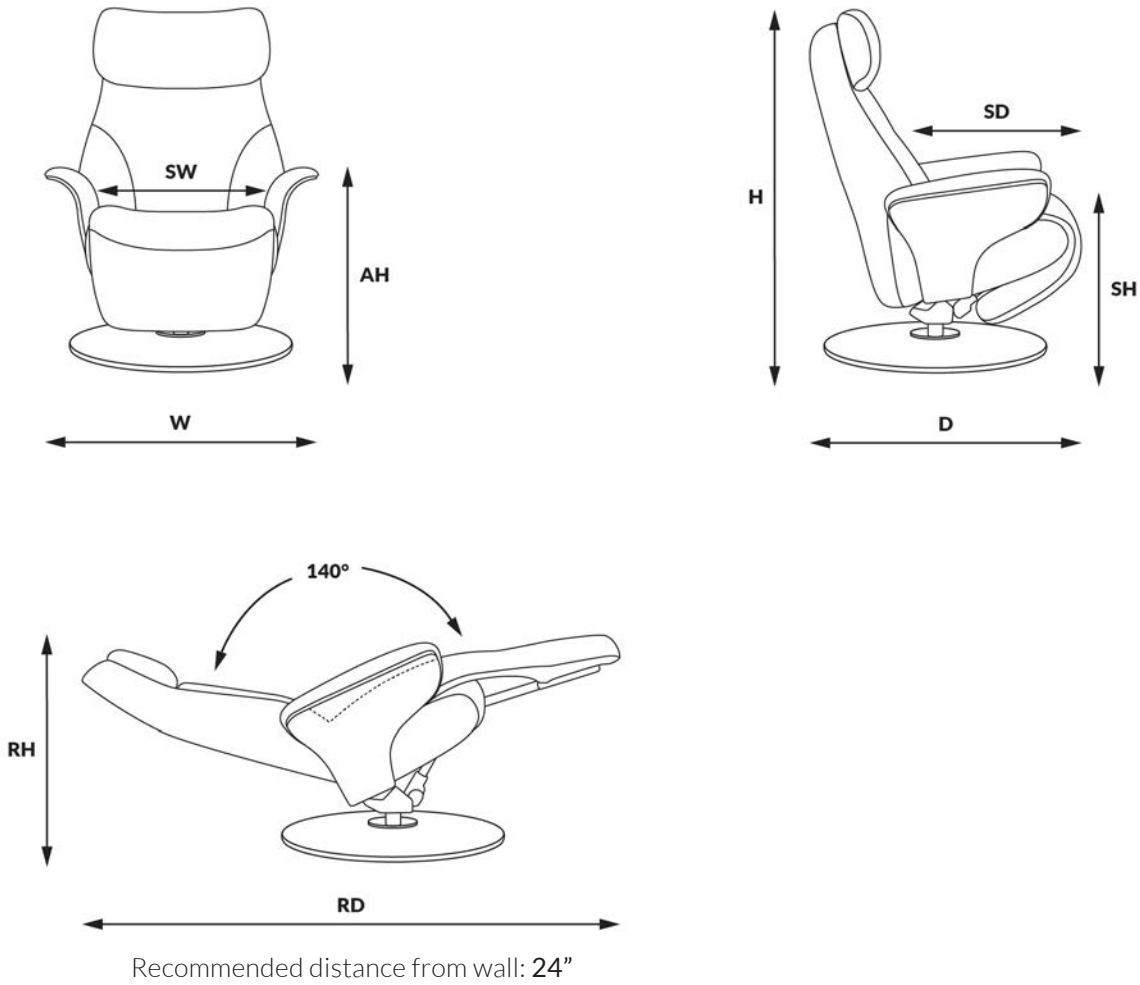

Available with a Disc base, with 360 degree swivel, offering complete freedom of movement.

Disc base

Stressless® Adam is the perfect choice for those with a more compact living space.
Available in one size.

Measurements

Disc base

Width (W)	Depth (D)	Height (H)	Seat width (SW)	Seat depth (SD)	Arm height (AH)	Seat height (SH)	Reclined depth (RD)	Reclined height (RH)
